The addition of thirty (30) neonatal intensive care unit (NICU) beds at the replacement hospital (approved by CN0609-076) located at the corner of Poplar Avenue and North Dunlap. Construction of the new hospital is underway. This project will require additional construction to build out 24,000 square feet of approved shelled space to accommodate the new beds. Methodist LeBonheur currently has thirty (30) licensed NICU beds. The new hospital will open with a total of sixty (60) licensed NICU beds. Methodist LeBonheur will transfer ten (10) NICU beds from Methodist North Hospital and the other twenty (20) will be new NICU beds. Methodist LeBonheur (225 Licensed beds) and Methodist North Hospital (260 licensed beds) are two of five hospitals under the Methodist Healthcare-Memphis Hospitals' 1,563-bed license. The project will increase the total licensed beds to 1,583 by increasing Methodist LeBonheur's to 255 and decreasing Methodist North to 250. The bed complements of the three other hospitals under the Methodist Healthcare-Memphis Hospital's license are not affected by this project. The project does not contain any major medical equipment or initiate or discontinue any health service.
